

The 7th Annual Workshop on Mathematics in Medicine, Vienna 2024

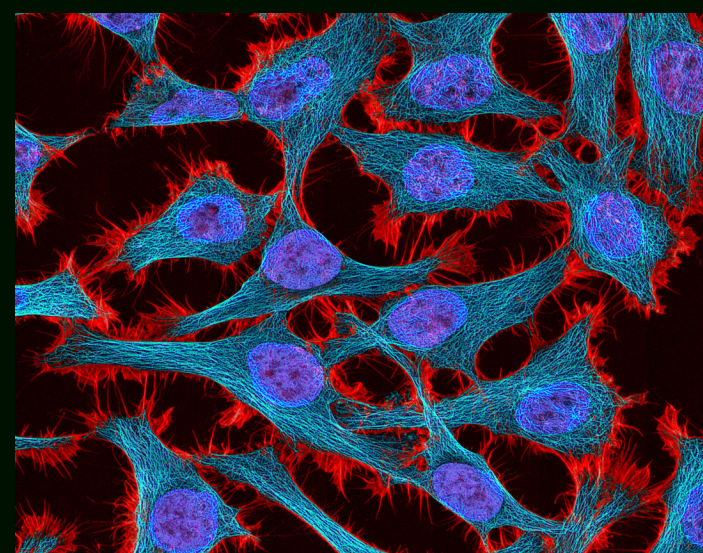

Mathematics for Medicine (against Cancer)

July 31 - August 2, 2024

Location: WPI c/o University of Vienna, Oskar-Morgenstern-Platz 1, A1090 Vienna

Speakers:

Iros Barozzi	Medical Univ., Vienna
Quentin Bedel	Univ. Toulouse III
Walter Berger	Medical Univ., Vienna
Marie Doumic	INRIA
Loïc Dupré	INSERM Toulouse
Jasmine Foo	Univ. of Minnesota
Luca Gerardo-Giorda	Johannes Kepler Univ., Linz
Natalia Komarova	UC San Diego
Tommaso Lorenzi	Politecnico di Torino
Anna Marciniak-Czochra	Heidelberg Univ.
Philip Maini	Oxford Univ.
Angelika Manhart	Univ. Vienna
Jörg Menche	CEMM & Univ. of Vienna
Thomas Stiehl	RWTH Aachen
Thomas Vogl	Medical Univ., Vienna
Juliane Winkler	Medical Univ., Vienna
Dominik Wodarz	UC San Diego

HeLa Cells
Tom Deerinck, NIGMS, NIH

Organizers:

Marie Doumic	INRIA
Doron Levy	Univ. of Maryland
Norbert J Mauser	WPI c/o Univ. of Vienna

Goals:

This workshop aims to bring together mathematicians and medical researchers for selected presentations and discussions of methods and open problems where modern mathematics including AI / ML can be useful with some emphasis on cancer. All talks are aimed at a general audience.
